Anybody have the email of Jonathan Mendoza, the author of the 1994 Doom Guide book published with Sybex?

Hi Fabien. Jonathan Mendoza, here. Long retired from the gaming community and now busily cultivating a dad bod. What can I do for you?

I wanted to use the interviews at the end of your DOOM strategy book for my Game Engine Black Book about DOOM. I emailed Sybex and Wiley and they told me you own the rights now. Email me at [fabiensanglard.net@gmail.com](mailto:fabiensanglard.net@gmail.com) to chat more.

Hi Fabien, Sorry for the delay in replying. By all means, feel free to use the interviews at the end of the Doom book, which seems like I wrote a lifetime ago. (And nearly it's been that long.) Good luck.
